A Celebration of Leadership and Responsibility

The Investiture Ceremony for the academic year 2025-2026 in SHAMROCK was a proud and momentous occasion where we formally bestowed the School Council positions upon our newly elected student leaders. This event marked the beginning of their leadership journey and symbolized the trust and confidence placed in them by their peers and mentors. The ceremony commenced with the pinning of badges and the adorning of sashes, signifying the honor, duty and commitment that come with these esteemed roles. A symbolic moment of passing responsibilities were handed over to the Head boy ANSH JHANGRA and Head Girl TAVLEEN KAUR reinforcing their duty to lead with integrity and dedication.

In a display of unity and discipline, the newly appointed leaders then took their oath. The Head of School solemnly read the oath, with the student leaders repeating after, pledging to uphold the values of the institution and lead by example.

As these young leaders embark on their journey, we wish them the very best in fulfilling their roles with excellence and commitment.
